Magic Moment

Shui Jiao Dinner & Dance Show

This unique dinner features multiple courses of Xian's famous dumplings each with a different filling. Often the dumplings are the shape and color of the food they contain, for example the duck dumpling is shaped like a duck, while the pumpkin dumpling is round and orange. There are even sweet dumplings for desert!

Following the meal you'll enjoy a performance of Tang Dynasty dancing. This traditional form of expression involves colorful costumes and changing backdrops, making this exquisitely choreographed show a kaleidoscopic spectacle.
